Undertaking

To create a contextual framework for further research, the Ministry of Education (MoE) and the All India Council for Technical Education (AICTE) are offering more than 650 internships to students to explore Internshala for a period of two months. The interns will work on short research projects, activities/ workshops, etc. Their progress will be monitored through the monthly report submitted by them and their mentor's feedback. The interns will be encouraged to continue to work with the experts and advance the area of research through further collaboration seven after the completion of the internship program.

Our institute is making efforts to "encourage students to take-up internship and project work."
