- Aware Students in other fields also.

## What's New We done in 2<sup>nd</sup> meeting for solving the issues of students:

For making our students academics better than previous we include some new sessions and key objectives. These are as follows-

- ❖ Firstly , we seen that how many students don't want to study or wants to leave: We seen that at most 21 students wants to leave the college because of home sickness or English fear or have bad result in previous academics or have fear of placement etc.
- ❖ So for solving this problem of students, we organize a special session of Mr. Hemant Kashyap (Training and Placement Officer- GSCE College, Sagar M.P.) for motivating the students regarding to solve their placement issues and fear of English.
- ❖ Organizing leading group counseling session.
- ❖ Maintaining confidential records of each student.
- ❖ Organize the proper classes of Communication Skills.
- ❖ We also organized some trips to the students due to which they easily make interaction with their classmates and will create a healthy environment.
- ❖ **RESULT:-** We got the positive results after conducting all these sessions. Out of 21 Students (who want to leave), 18 students continuously attends the college and only 3 students left because of their some personal issues.
